

Youth Patriotism Awards Citizenship Award ADULT

Purpose:

The Patriot Awards were designed to lead youth in the United States to a greater understanding of the amazing legacy we were given by our founding fathers. This legacy has afforded every person in the United States abounding freedoms that are often taken for granted.

The Citizenship award encourages knowledge of our government and its workings that every American should know. The United States expects immigrants that want to obtain citizenship to know and be able to put into practice many details the average American born in the country does not understand or appreciate. This award is to provide that additional appreciation.

Award:

By aiding youths in the attainment of the Youth Patriotism Awards – Citizenship Award, you are investing in the most valuable resource in America.

Remember, all requirements can be done with a unit, class, group, family, or individually and that you, the adult, should decide when a requirement has been met.

By helping a youth earn either the SILVER or GOLD Citizenship medal, we would like you to be recognized as well. You, as an adult, are entitled to a GOLD Citizenship medal once you have lead even a single youth to earning their Citizenship medal. You also can earn Elective Stars that can be added to the ribbon portion of the medal. These Elective Stars are to represent the number of youths that have been led through the program.
