

Youth Patriotism Awards Citizenship Award

SILVER (Youth 6-10)

Purpose:

The Patriot Awards were designed to lead youth in the United States to a greater understanding of the amazing legacy we were given by our founding fathers. This legacy has afforded every person in the United States abounding freedoms that are often taken for granted.

The Citizenship award encourages knowledge of our government and its workings that every American should know. The United States expects immigrants that want to obtain citizenship to know and be able to put into practice many details the average American born in the country does not understand or appreciate. This award is to provide that additional appreciation.

Award:

By completing ALL of the below Requirements and a number of electives (from the entire Elective list), you will earn the Patriot Awards - Citizenship SILVER Medal. This medal will signify your accomplishment and encouraging others to do the same.

All requirements can be done with a unit, class, group, family, or individually. An adult should help you as you complete the requirements (and they are also a great source of information).

Along with the medal, you can earn Elective Stars that can be added to the ribbon portion of the medal. Once the medal has been earned, additional Elective Stars can be earned at any time (as long as you are still in the age group) and then added to your ribbon. The more you do the more you learn, earn and have fun.

All requirements must be completed during the age group of the award. Activities performed prior to age 6 cannot be counted. Adult counselors may take disabilities or exceptional circumstances into account when certifying completion of the award.
