

Youth Patriotism Awards Freedom Award

GOLD (Youth 11-18)

Purpose:

The Patriot Awards were designed to lead youth in the United States to a greater understanding of the amazing legacy we were given by our founding fathers. This legacy has afforded every person in the United States abounding freedoms that are often taken for granted.

The Freedom GOLD award will demonstrate and allow you to explore all of the amazing freedoms that our country provides us. We often live day by day without stopping to think about the freedom that we enjoy or the price that was paid by those brave Americans before us.

Award:

By completing ALL of the below Requirements and a number of electives (from the entire Elective list), you will earn the Patriot Awards - Freedom GOLD Medal. This medal will signify your accomplishment and encouraging others to do the same.

All requirements can be done with a unit, class, group, family, or individually. An adult should help you as you complete the requirements (and they are also a great source of information).

Along with the medal, you can earn Elective Stars that can be added to the ribbon portion of the medal. Once the medal has been earned, additional Elective Stars can be earned at any time (as long as you are still in the age group) and then added to your ribbon. The more you do the more you learn, earn and have fun.

All requirements must be completed during the age group of the award. Activities performed prior to the age of 11 or for the SILVER award cannot be automatically counted unless they are repeated while you are between 11 and 18. Adult counselors may take disabilities or exceptional circumstances into account when certifying completion of the award.
